

Brand Guide 2018

Company Background

In 1987, Characters Unlimited Inc. began hand crafting and selling non-animated human-like characters with the goal to "Make Your Place An Attraction". More than thirty years later, our mission remains unwavering. Throughout the years, improvements such as better animatronics, a bigger team, and the addition of more products have been made to deliver quality characters to last a lifetime.

In 2006, Characters Unlimited acquired the trademark for Zoltar Speaks[®]. Our Zoltar fortune teller machine can now be found in hundreds of locations around the world including arcades, attractions, theme parks, gift shops, and homes.

Our Mission

To evoke a sense of nostalgia, joy or amusement in everyone who encounters Zoltar. Through inspiring fortunes, simple animatronics, and a wholesome, fun brand, Zoltar provides amusement for all ages.

Our Vision

To be recognized worldwide as a brand that delights and ignites the inner child in everyone.

Appearances

Zoltar® has remained relevant with appearances in many prominent television and movie placements including Limitless, Family Guy (unauthorized use), The Bachelor, The Late Late Show with James Corden, Step Up 3, and Big Brother UK. The famous machine has also been used in advertising with Toyota, SUBWAY Canada, Nathan's Famous Hot Dogs, Mike's Hard Lemonade, Motorola, Credit Karma and Sprint.

The mysterious Zoltar® has also become more social lately— when people get their fortunes told, they take a picture with Zoltar® and share with friends on social networks like Facebook and Instagram. With tens of thousands of photos with the #Zoltar on Instagram alone, the brand certainly has a following.

- If you think you can or you think you can't... you're right!
- Age is simply a matter of mind. If you don't mind, then my friend, it doesn't matter!
- Sometimes you can tell a wise person not only by what he says, but also by what he doesn't say. Remember it's much better to say little than to say too much and regret it later, no?
- He who laughs last, thinks slowest. Stay alert my friend and laugh heartily and quickly.
- Hard work pays off over time, but laziness, it pays off right now. Heed my advice, young one. Relax and enjoy yourself today... you deserve it.
- It is better to keep your mouth shut and be thought a fool, than to open it and remove all doubt.
- The best place to find a helping hand is at the end of your arm. Yes, you must work for happiness. So go on now... take your two hands, get more coins out of your pocket, and let Zoltar tell you more.
- Men of genius are admired; men of wealth are envied; men of power are feared; but only men of character are trusted. And you know, it never hurts to bribe your friends on sometimes. For example, give me more coins and I'll give you your fortune.
